

# THE AUDACITY OF HOPE

## TO GAZA WITH LOVE

### Sending personal letters to the people of Gaza

The U.S. Boat to Gaza is collecting thousands of personal letters to the people of Gaza from people like you throughout the U.S. This act of friendship and solidarity will mean a great deal to Gazans who every day experience the impact of the Israeli blockade and siege.

Our boat - *The Audacity of Hope* - will sail as a human rights mission to help end the illegal Israeli naval blockade of Gaza. The letters will be carried as our cargo on the U.S. Boat to Gaza when it sets sail in May as part of the 2nd International Freedom Flotilla.

Alice Walker talked about the radical power of love to create change. This letter-writing campaign - To Gaza With Love - allows you and thousands of other people to be part of that change.

To include your voice in this great effort please take a moment to write a letter, send a poem, make a drawing or any other creative act of friendship. Send it: **Letters to Gaza**
